

Results of the ICT Call 2017 – deadline 25<sup>th</sup> April 2017

| Topic                                                                                                 | Bdg [M€] | Actions      | Probably Funded | Out of Budget | Reserve List | Below Threshold | Not evaluated * |
|-------------------------------------------------------------------------------------------------------|----------|--------------|-----------------|---------------|--------------|-----------------|-----------------|
| ICT-05-2017 Customised and low energy computing (incl. low-power processor technologies)              | 32       | RIA, CSA     | 6               | 36            | 1            | 9               | 2               |
| ICT-11-2017 Collective Awareness Platforms for Sustainability and Social Innovation                   | 10       | IA, CSA      | 7               | 31            | 4            | 65              | 4               |
| ICT-14-2016-2017 Big Data PPP: Cross-sectorial and cross-lingual data integration and experimentation | 27       | IA           | 7               | 8             | 2            | 26              | 1               |
| ICT-15-2016-2017 Big Data PPP: Large scale pilot actions                                              | 25       | IA           | 2               | 6             | 1            | 9               |                 |
| ICT-16-2017 Big data PPP: Research addressing main technology challenges of the data economy          | 33       | RIA          | 7               | 36            | 2            | 31              |                 |
| ICT-17-2016-2017 Big data PPP: Support, industrial skills, benchmarking and evaluation                | 2        | RIA          | 1               | 0             | 0            | 2               |                 |
| ICT-20-2017 Tools for smart digital content in the creative industries                                | 17       | RIA          | 5               | 50            | 2            | 55              | 3               |
| ICT-23-2017 Interfaces for accessibility                                                              | 14       | RIA, IA      | 6               | 37            | 1            | 40              |                 |
| ICT-25-2016-2017 Advanced robot capabilities research and take-up                                     | 34       | RIA, IA      | 10              | 34            | 2            | 85              |                 |
| ICT-27-2017 System abilities, SME & benchmarking actions, safety certification                        | 41       | RIA, IA      | 7               | 4             | 1            | 28              |                 |
| ICT-28-2017 Robotics competition, coordination and support                                            | 5        | CSA          | 2               | 1             | 1            | 4               |                 |
| ICT-30-2017 Photonics KET 2017                                                                        | 89       | RIA, IA, CSA | 17              | 25            | 8            | 30              |                 |
| ICT-31-2017 Micro- and nanoelectronics technologies                                                   | 23       | RIA, IA, CSA | 7               | 27            | 3            | 13              |                 |
| ICT-32-2017 Startup Europe for Growth and Innovation Radar                                            | 12       | IA, CSA      | 9               | 15            | 3            | 39              | 1               |
| ICT-33-2017 Innovation procurement networks                                                           | 4        | CSA          | 2               | 1             | 1            | 2               | 4               |
| ICT-39-2016-2017 International partnership building in low and middle income countries                | 13       | IA           | 7               | 25            | 1            | 38              |                 |
| ICT-40-2017 Reinforcing European presence in international ICT standardisation                        | 2        | CSA          | 1               | 1             | 1            | 2               |                 |
| ICT-41-2017 Next Generation Internet                                                                  | 2        | CSA          | 3               | 9             | 1            | 14              | 1               |
