

# Innovate UK ICT & FET NCP

## H2020 Calls and Events

### Call for ideas - 'the birth' of the European Innovation Council

Carlos Moedas [European Commissioner for Research, Science and Innovation] looks up to 'disruptive innovation' [its new market creation facet] as a core mission of the new EIC. The call for ideas will be open until the 29th April 2016 - <http://ec.europa.eu/research/eic/index.cfm>

[for the definition of disruptive innovation see recent HBR article: <https://hbr.org/2015/12/what-is-disruptive-innovation>]

### FET-Open Sep15 batch submission numbers and retained proposals

<http://www.ictic.org/b/news-files/28-02-16%20News.pdf>

<http://tinyurl.com/FETOpen-Sep15Batch-retained>

### Q&As on IoT Large Scale Pilot#4 - Reference zones in EU cities

<http://www.ictic.org/b/news-files/28-02-16%20News.pdf>

### 5G PPP - First 5G Architecture Workshop

Brussels [CCAB, Rue Froissart 36] **6 April 2016** - <https://ec.europa.eu/digital-single-market/events/cf/5g-ppp-architectures-06-april-2016/register.cfm>

### FET Innovation Launchpad Info Day

Brussels **20 April 2016**

The new FET scheme will support early 'measures' to exploit the innovation potential of output developments from ongoing or recently finished FET projects.

### Net Futures 2016: Driving Growth in the #DigitalSingleMarket

Brussels [The Egg - Congress and meeting centre] **20-21 April 2016**

The two day attendance comes at a fee of €150 - more at: <http://netfutures2016.eu/>

## H2020 related News, Reports, Consultations, Other

### Strategic Foresight - Towards the 3rd strategic programme of H2020 (2018-20)

The report provides insight on trends and areas and is expected to feed into the discussion/consultation during the preparation of the new H2020 WP for the period 2018-2020 - <https://ec.europa.eu/research/foresight/index.cfm>

### Quantum Manifesto - Invitation for endorsement

This manifesto calls upon the EU Member States and the EC to launch a €1 billion flagship-scale initiative in Quantum Technology. The endorsement phase closes on the 30th April 2016 - <https://ec.europa.eu/digital-single-market/en/news/call-stakeholder-endorsement-quantum-manifesto>

### Study: Industry 4.0 - Prepared for the European Parliament's ITRE Committee
